HOST TO JUDGES Dr. Ralph Rowe

OFFICIAL FARRIER Dave Metzger

The Alberta Light Horse Association is greatly indebted to the Calgary Exhibition and Stampede Ltd., Mr. Maurice Hartnett and his staff.

The thanks of the A.L.H.A. is also extended to all members of the numerous Horse Show Committees, the exhibitors and the many persons who donated trophies for the show.

The Association is particularly grateful to the members of the Al Azhar Shrine Mounted Patrol for their evening exhibitions. The Patrol is under the chairmanship of Mr. Jack Treacey, President; Dr. B. Tharp is Captain and the Drill Master is Staff Sgt. Simmonds.

This team has performed for several Shrine functions in the past and will consist of 21 riders for the Horse Show.

Mr. and Mrs. R. D. Spittal Challenge Trophy

Class No. 84. Team of Three Hunters

Team shall consist of three horses following each other at a safe hunting distance. Horses enter single file and jump 3' course once around four jumps in single file. The two leading horses then pair up and jump as a pair with the third horse following — taking the next six jumps (once and a half) in that formation. At the far end of the arena the three horses will get together and come down the center 3 abreast over the middle jump. In the case of a horse refusing that horse automatically goes to the rear and the others continue without stopping. Judged 80% performance, pace and distance, 20% similarity of type and conformation.

The diagram illustrates a railroad track layout within a rectangular boundary. The layout includes several tracks and switches, with labels and dimensions indicating specific features:

- Top Left:** A track labeled "RAILS" with a dimension of "3' 6''".
- Top Center:** A track labeled "COOP" with a dimension of "3' 9''".
- Top Right:** A track labeled "RAILS" with a dimension of "3' 6''".
- Bottom Left:** A track labeled "BRUSH" with a dimension of "3' 6''".
- Bottom Center:** A track labeled "GATE" with a dimension of "3' 9''".
- Bottom Right:** A track labeled "RAILS" with a dimension of "3' 6''".

The tracks are interconnected by switches and curves. A vertical track on the right side has a dimension of "24'" between two points. Arrows indicate the direction of travel along the tracks.
